

gapingvoid®

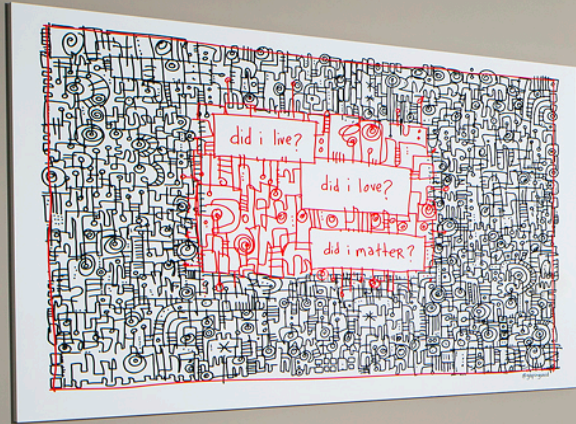

Transform your space. Inspire, motivate and challenge through an immersive visual experience.

gapingvoid®

**Express ideas, vision, beliefs
faster and more deeply.**

gapingvoid®

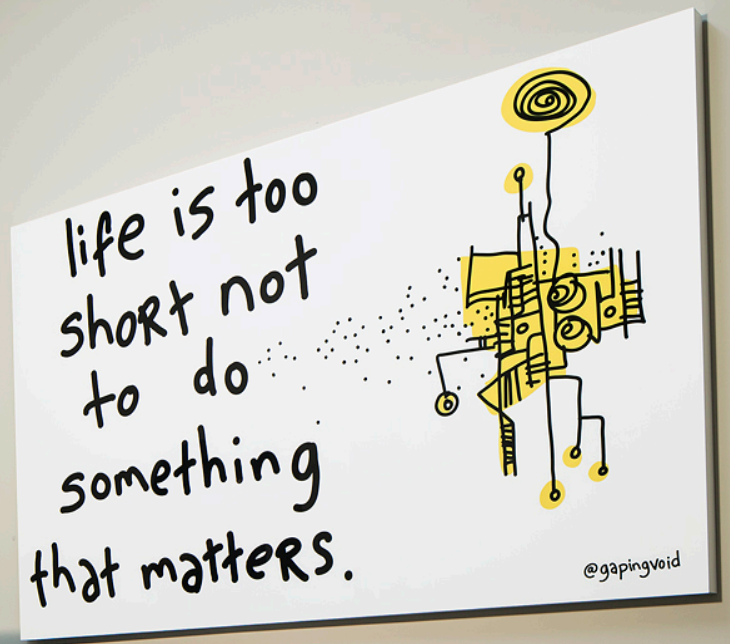

that's why
we're here
to make a
dent in the
universe.

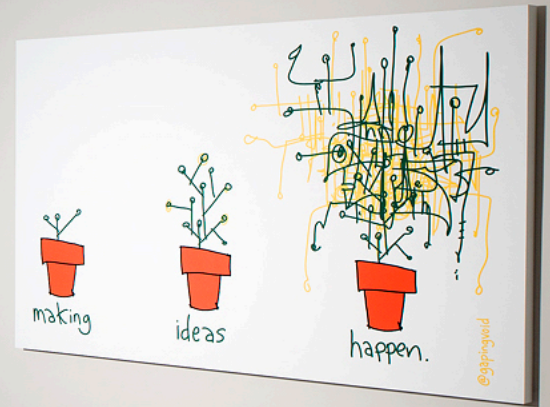

inspire.
be inspired.

friends to the empty ones. The night, the birds
 the wilderness. The blue page in the
 children book. The one who has
 differently. They're not dead, looking
 from the bright for the world. You can
 know them. Forget with them, gently in
 them. About the things you can't see
 them. About the things you can't see
 the human body. About the things you
 see them. The things you can't see
 the things you can't see. The things you
 can't see. The things you can't see.

**Connect
students to
what really
matters.**

**Attract top
employers
and top
candidates.**

Engage your faculty in ideas and conversation.

**Transform your career center into a hub of activity
the whole campus will be talking about.**

All paths up are different.
All paths down are the same

**Impact every aspect
of what you do,
using visual tools.**

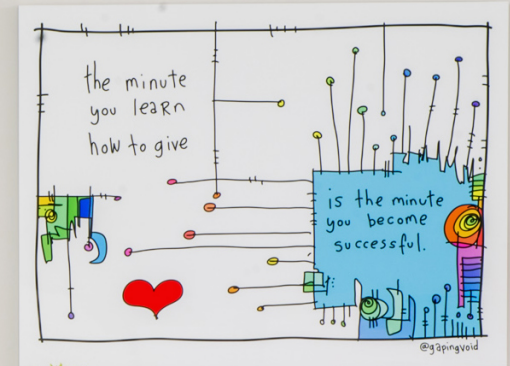

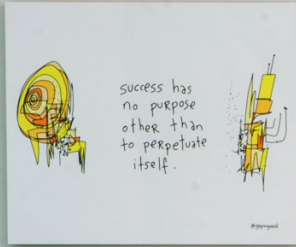

**Inspire
students.**

**Attract
employers.**

**Inform
new ideas.**

How it works:

- 1. We work with you to understand the desired outcome.**
- 2. We translate your vision into visuals and messages that resonate within your constituency.**
- 3. We plan and curate your space from beginning to end.**
(individually or alongside your designers – usual time frame: 2 to 6 months)

“The President of the University came up to me and said: ‘This is amazing!’.”

Christian Garcia

**Associate Dean & Executive
Director
Toppel Career Center
University of Miami**
